

## Evidence of Insurability Instructions

1. This Evidence of Insurability (EOI) form should already have your Employer's Name and the Group Number(s) preprinted on it. If this is not the case, check with your Benefits Person regarding your plan's Group Number. We cannot process your request for coverage without your Group Number.
2. If you are applying for Life coverage, your Benefits Person should indicate your current amount, the total amount you are requesting (including your current amount and any guaranteed amount, if applicable) and the amount that needs to be medically underwritten on the EOI form or should give you instructions regarding what these amounts should be. **If you have a question regarding the amount that requires underwriting, please contact your Benefits Person in your Human Resources Department.**

### IMPORTANT:

The “**amount to be underwritten**” is the dollar amount of coverage for which you or your dependents must show **proof of good health**. This “underwritten” amount should **not** include any coverage you or your dependents may already have in force through this plan or any coverage that can be obtained through this plan without providing evidence of insurability. If the amount to be underwritten is incorrectly stated on your EOI form, you or your spouse may be asked to have an exam, blood profile or EKG that might otherwise not be necessary. **Note:** If there is **no** current coverage in force, state “**0**” in that column. Current, total and underwritten amounts need only be indicated on this EOI form for the family members who are applying for coverage at this time. **If not applying, the amounts in these columns can be left blank.**

3. Make sure that you give us all of the requested information. Answer all questions. Sign and date both sides of the Evidence Form at the bottom. Failure to do so may result in having your Evidence Form returned to you for completion and will definitely delay processing time for your request.
4. Complete both sides of the Evidence Form.
5. Indicate the full names and complete mailing addresses of the physicians listed. Attach an additional sheet, if necessary. Complete mailing addresses will greatly reduce processing delays.
6. **Make and keep a copy of both sides of the Evidence Form for your records.**
7. Read the “ReliaStar Life Insurance Company Insurance Information Practices Notice” (on the other side of these instructions) and keep it for your reference.
8. After completing your Evidence Form, **follow the instructions given to you by your Benefits Person**. They may request that you return your completed Evidence Form to your HR department or send it to your plan's Third Party Administrator, if applicable, or mail your Evidence Form directly to ReliaStar at the address on the **top right corner** of the Evidence of Insurability Form.
9. For general questions regarding completing this form or for checking the status of your underwriting once the EOI form has been submitted to ReliaStar, please call Special Underwriting at (612) 342-7262. However, **you must contact your Benefits Department if you have a question regarding amounts**. Special Underwriting does not have information concerning the amounts that should be indicated on your EOI form.

**Any person who, with intent to defraud or knowing that he is facilitating a fraud against an insurer, submits an application or files a claim containing a false or deceptive statement is guilty of insurance fraud.**

## EOI INSTRUCTIONS FOR BENEFITS PERSON

1. Enclosed is a master copy of the Evidence of Insurability Form (EOI) for your plan.
2. If you are not a new ReliaStar client, this EOI form **replaces** any version of the EOI form you may currently have. Please **destroy** any older EOI version that has “**Northwestern National Life**” printed at the top as well as any newer version showing “ReliaStar” at the top. **The enclosed EOI form is the correct and the only version of the EOI form that your plan should use, whether you are a new ReliaStar client or an existing client.** If you have any question or problem regarding this EOI form, please contact your ReliaStar Client Rep.
3. Using the master copy, please make copies of the entire EOI form as needed.  
There are 5 pages to the entire EOI form.  
Page 1: Evidence of Insurability Instructions  
Page 2: ReliaStar Life Insurance Company Insurance Information Practices Notice  
Page 3: First page of EOI form  
Page 4: Second page of EOI form (Medical Questions)  
Page 5: Third page of EOI form (Authorization)

4. Copying instructions:

**To be in compliance, make sure that each employee gets all five pages regarding this EOI form.**

5. **IMPORTANT:**

Stating the correct amount to be underwritten on the EOI form is **extremely** important. For this reason, we strongly suggest that the proper amounts be put on the EOI form **before** it is given to the employee to complete or that the completed EOI form be **returned to you** before it is submitted to ReliaStar so you can make sure the amounts are correct. Otherwise, you must **clearly instruct each employee as to the correct amount to be underwritten**. If no instructions are given to the employee regarding the amounts, the amounts they indicate on the EOI form will often be wrong, resulting in processing delays and unnecessary underwriting requirements being requested of them and/or their dependents.

**THE AMOUNT THAT NEEDS TO BE UNDERWRITTEN** should **not** include any coverage the applicant already has in force through your plan or is grandfathered for or can get without showing proof of good health (such as if your plan has GI coverage or SI coverage or the employee can increase a certain amount or multiple of salary during the enrollment period, etc.). Also, the amount indicated on the EOI form should always be stated as a **dollar** amount, not as a multiple of salary such as “2X”. Again, the **amount to be underwritten should only be the amount for which the applicant must show proof of good health at this time.**

**Example: (Please refer to your plan document for your plan's specific GI or SI parameters.)**

An employee makes \$50,000 a year and requests a total of 4X salary during the enrollment. He has 1X salary currently in force. If he can increase his coverage by 1X salary during the enrollment period without proof of good health, his EOI form should indicate:

Current Inforce Amount	Total Amount Desired	Amount to be Underwritten
\$100,000	\$200,000	\$100,000

**Note: The current amount is what the individual already has plus what they can get without being underwritten. The amount to be underwritten is the difference between the total amount desired and the current amount.**

6. Instruct employees to return their completed EOI forms to you or instruct them to send their EOI forms directly to ReliaStar or to your Third Party Administrator, if applicable. Regardless of the procedure you instruct your employees to follow, the completed EOI forms should ultimately be sent to ReliaStar for processing at the following address:
