The Panther Foundation is a non-profit 501(c)(3) corporation independent of the Spring Lake Park School District 16.

The purpose of the Panther Foundation is to enrich learning experiences within Spring Lake Park School District 16 which serves students from Blaine, Spring Lake Park, and Fridley.

The Foundation solicits and reviews grant applications from teachers, parents, students, and administrators. The Board of Directors then allocates funds for innovative projects that will enrich student learning.

Support for the Foundation comes entirely from contributions from individual and corporate memberships, fundraising events, matching funds, and special gift plans.

Tax-deductible donations are put to work in School District 16. This district has a rich heritage of excellence in education and is committed to seeing that tradition continue.

Your contribution enriches the lives and education of children. Thank you!
