### **WHAT IS ON THE BALLOT ON TUESDAY, NOVEMBER 3, 2009?**

#### **QUESTION 1**

**THE QUESTION WOULD RENEW AN EXISTING TEN-YEAR LEVY FOR LEARNING APPROVED IN 1999 THAT WOULD OTHERWISE EXPIRE IN 2009.**

---If this does not pass, the district would lose \$1.5 million in annual funding that it has received since 1999. Budget cuts would be required.

---If this question passes, it would NOT increase taxes.

#### **QUESTION 2**

**THIS QUESTION WOULD REVOKE, REPLACE, AND INCREASE A SECOND, EXISTING TEN-YEAR LEVY FOR LEARNING, ALSO FOR ABOUT \$1.5 MILLION**

---If this passes, the estimated tax impact would be \$8.08 per month for the average district homeowner.

--If this does not pass, the level of budget cuts would likely double.
