

Spring Lake Park Schools

Application for Cell Phone Connectivity to Groupwise Email System

Spring Lake Park Schools uses Groupwise for the district calendar and email application. This system has provisions to allow users to access email and calendar information on a cell phone. The following cell phone technology is currently supported:

Type	Service	Cost	Pin #
iPhone	NotifyLink	\$175.00 setup, \$ 52.50 per year after 1 st year	
Blackberry	NotifyLink	\$175.00 setup, \$ 52.50 per year after 1 st year	
Palm	Intellisync	Free	
Windows Mobile	Intellisync	Free	

As other options become available we will update this document and notify users of more cost effective solutions.

To request access please complete the following form and provide the budget code for the yearly service fee if required. Please return this form to the Technology Support Office.

Name _____

Building _____

Phone Extension _____

Cell Phone Number _____

Cell Phone Service Provider _____

By signing this document you agree to all of the policies and procedure regarding the district email system. If you are requesting the Notify Link service the budget code below will be charged for the \$175 setup fee and \$52.50 per year after the 1st year. This service will automatically be renewed each year until Technology Services is notified to disconnect service.
