

PTA Minutes for April 11<sup>th</sup>, 2011

Joanne Satter – President  
Jodi Schwagerl – Treasurer

Introductions of PTA Board Members and Guests

### **Treasurers Report**

The money is still coming in slowly from the fall candy bar fundraiser. We still have about \$2500 that hasn't been collected. In regards to purchases, we have bought supplies for the carnival. We also have given money to the school nurse to replenish supplies.

### **Principal Judi Kahoun**

Steve Brady will not be attending PTA meetings now, as he will now be serving as the Assistant Principal at Spring Lake Park High School.

Twins Day was Friday, April 8<sup>th</sup>. High school baseball and softball players came to Woodcrest that day. Students were encouraged to wear Twins apparel. It was a lot of fun!

The MCA Assessments are coming up. The staff at Woodcrest has been busy coordinating schedules and pulling in support from staff. Woodcrest, as a school, wants to ensure that students are prepared from day one! To do this, students have been given experiences in test taking. The PTA is providing treats for this day, which will include breakfast bars, granola bars and fruit. The math assessment will be on the computer, which is a first for this year.

Also, the teachers and staff at Woodcrest are thinking about next year: student placement, staffing, and schedules.

### **Special Education**

The Special Education team was our guest speakers tonight. They work together in a problem-solving team to help Woodcrest meet students with special needs. They also meet with parents to talk about options and make Individualized Education Plans.

### **Woodcrest Carnival**

The PTA is still looking for donations for the Woodcrest Carnival. Anything like gift cards or other items to make raffle baskets would be appreciated. The pre-sale wristbands will be on sale this week. When you order one in the pre-sale for \$10, you will get one free raffle ticket. The pre-sale ends April 26<sup>th</sup>. The Woodcrest Carnival Planning Committee will be meeting one last time on Thursday, April 14<sup>th</sup>. The next PTA meeting will be on Tuesday, May 10<sup>th</sup> at 6pm.
