

Westwood Intermediate School . . .

a supportive community focused on working together to ensure our students' academic, social, and emotional growth to achieve the Spring Lake Park Essential Learning Outcomes.

From the desk of the principal ... Mr. Larson

Many days the kids will find me serving up their lunch to feed their brains. This is a great way for me to see and say hi to all the kids and serve up an improved lunch menu that reflects fresh fruits and vegetables as choices. This is known as the Farm2School initiative. School districts across the state support local small and mid sized farms which is good for the economy and in return your child is eating a healthier lunch. This past month the kids enjoyed sweet corn, green beans, apples, carrots, cucumbers, and many other items. Thanks for joining us for lunch and supporting our local farmers as well as feeding your child's mind.

Friday is homecoming—this is an exciting day for many of our kids—let's show our pride and wear our SLP spirit wear. Go Panthers. If you are planning to attend the football game please remember your elementary aged children need to be supervised by an adult.

Updates on the November 8th Levy for Learning & Capital Projects/Technology Levy questions.

The school district is holding a number of informational meetings to give an overview of the two ballot questions.

Convenient meetings for our school community:

Oct. 6, 7:15 pm at Westwood Intermediate School (Parent Meeting)

Oct. 27, 6:30 pm at Westwood Middle School (Community Meeting)

Thank you to all of the students who collected pledges for the fundraiser. WOW!! It was a great time, the kids had fun, and thanks for supporting Westwood. If you still have pledges at home be sure to get the envelope to school by Friday. We fell short of our goal so if you are still considering a donation it would be greatly appreciated.

Thanks to our volunteers for helping with the events, organizing the triathlon, and counting the pledges.
